

# Full declaration of ingredients

## Uviwax® UV-Protection

### Binding agents:

- Waterborne oil-modified polymer dispersion

### Waxes:

- Modified Paraffin

### Solvents:

- Water

### Pigments: (except 7200)

- Titanium dioxide (white pigment)

### Earth:

- Mineral origin, silica sand, dolomite and swelling clays (argillaceous rock)

The used mineral pigments and earths have been purified from all poisonous ingredients (e.g. heavy metals).

### Additives:

- UV light absorbing additives
- In-can preservatives (methylisothiazolinone, benzisothiazolinone)
- Water-repellent additives

The liquid product is not flammable.

The dried finish is safe for humans, animals and plants (in compliance with the German Industrial Norm DIN 53160 (resistant to perspiration and saliva) and Euro Norm EN 71.3 (children's toys safety)).

Further information, e.g. for the technical characteristics, please refer to the product information.
